# ABOUT DADSIOT

Dr. A. D. Shinde Institute of Technology (DADSIOT) is an establishment of Dinkarrao K. Shinde Smarak trust, Gadhinglaj in the year of 2008. The prime motive of the institute is to inculcate moral values in the students of 21st century even the institute inspires to change rural potential into modern technologies. The institute is approved by AICTE, New Delhi, DTE Mumbai and Govt. of Maharashtra, Affiliated to MSBTE, Mumbai Dr. A. D. Shinde Institute Of Technology (DADSIOT) is one of the outcomes of sincere efforts of Adv. Shri Shripatrao Shinde (Ex MLA) His aim is to impart quality education to the students from rural area. definitely Dr. A. D. Shinde Institute of Technology will contribute in National Development by its engineers.

## VISION OF INSTITUTE

“To become an excellent technological institute committed to develop a versatile professional to satisfy the needs of industry, society, and the environment.”

## MISSION OF INSTITUTE

# MISSION

1. To provide a quality education to achieve best placements.
2. To build leadership qualities to grow professionally and as entrepreneur.
3. To develop an industry competent engineer.
4. To inculcate a sense of social and environmental responsibilities.

# ABOUT DEPARTMENT

Welcome to the Department of Computer Engineering at DR. A. D. SHINDE INSTITUTE OF TECHNOLOGY BHADGAON, GADHINGLAJ. The department of Computer Engineering started in 2008 and has made outstanding progress in the last 15 years. We have strong Diploma program in computer Engineering.

The department is committed to provide quality technical computer skills in software and hardware relevant to industry. It concentrates on high academic standard backed by updated syllabus. The primary focus of the curriculum in the department is to impart technical knowledge to students, promote their problem development & solving skills and innovation of new technologies. Its enviable placement record reflects the success story of the department.

The department has highly qualified faculty with rich teaching. Thank you for sparing time and visiting us.

## DEPARTMENT VISION

To become an excellent computer engineering department committed to provide quality education to satisfy the needs of industry and society.

## DEPARTMENT MISSIONS

1. To develop logically proficient engineers through quality technological education.
2. To enhance technological skills by imparting training to apply modern engineering tools.
3. To inculcate professional ethics to serve the society.

# PROGRAM OUTCOME

PO1	Basic and Discipline specific knowledge: Apply knowledge of basic mathematics, science and engineering fundamentals and engineering specialization to solve the engineering problems.
PO2	Problem analysis: Identify and analyse well-defined engineering problems using codified standard methods.
PO3	Design/ development of solutions: Design solutions for well-defined technical problems and assist with the design of systems components or processes to meet specified needs.
PO4	Engineering Tools, Experimentation and Testing: Apply modern engineering tools and appropriate technique to conduct standard tests and measurements.
PO5	Engineering practices for society, sustainability and environment: Apply appropriate technology in context of society, sustainability, environment and ethical practices.
PO6	Project Management: Use engineering management principles individually, as a team member or a leader to manage projects and effectively communicate about well-defined engineering activities.
PO7	Life-long learning: Ability to analyse individual needs and engage in updating in the context of technological changes.

# PROGRAM EDUCATION OUTCOME

## Program Specific Outcome

### PEO1

**PURSUE HIGHER  
EDUCATION FOR  
PROFESSIONAL  
DEVELOPMENT.**

### PSO1

**LOGIC  
DEVELOPMENT:**

Develop a professional logic through basic programming languages.

### PEO2

**APPLY CURRENT  
TOOLS AND  
TECHNOLOGY IN  
COMPUTER  
ENGINEERING FOR  
SOLVING  
INDUSTRIAL  
PROBLEMS.**

### PSO2

**INSTALLATION AND  
MAINTENANCE**

Install software and hardware along with its maintenance.

### PEO3

**DEVELOP  
PROFESSIONAL  
AND ETHICAL  
ATTITUDE FOR  
MAKING POSITIVE  
IMPACT ON  
SOCIETY.**

# Head of Department Computer Engineering

*Mr. R. S. Belli*

*We are thrilled to present TechPulse, the department's official magazine dedicated to connecting academics with the pulse of the industry. Every issue brings you closer to the latest innovations, exciting industrial visits, thought-provoking guest lectures, and inspiring alumni stories that showcase the real-world impact of your learning.*

*TechPulse is more than a magazine—it's a window into how theory meets practice, how research meets application, and how our students and faculty continue to push the boundaries of Computer Engineering. Dive in to explore our department's achievements, celebrate our successes, and experience the spirit of innovation that drives us forward.*

# *Pen of the Editor*

Welcome to TechPulse, where ideas meet innovation and every page tells a story of growth and achievement. It is my pleasure to present this edition, capturing the spirit and energy of our department.

Inside, you will discover experiences from industrial visits that broaden perspectives, insightful guest lectures that bridge academia and industry, and a collection of publications that reflect creativity and technical excellence. Our alumni continue to be a source of pride, inspiring us through their accomplishments and journeys.

This magazine is a true reflection of our collective efforts and passion for learning. We hope it inspires you to explore, create, and achieve more. Happy reading!

# TEACHERS ARTICLES

Practical knowledge is essential in technical education because it helps students move beyond theory and understand real-world applications. Through hands-on work in labs and workshops, learners develop problem-solving skills, technical confidence, and industry-ready abilities.

In diploma programs—especially in computer, electronics, mechanical, and IT fields—practical training ensures students can use tools, operate software, and troubleshoot effectively. As technology continues to advance, practical learning prepares students to adapt, innovate, and meet industry expectations.

*Ms. D.C. Londhe*

**Emphasizing  
practical  
knowledge  
enables students  
to turn ideas into  
real solutions  
and become  
skilled  
professionals for  
the  
modern  
workforce**

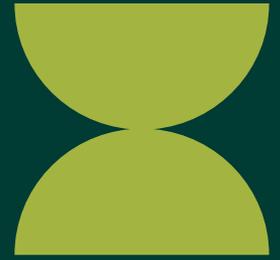

Technical education is essential in today's rapidly advancing world, as industries require skilled professionals who can adapt to new technologies. It supports national growth and industrial development by providing students with practical skills and technological awareness.

Its importance is clear across fields such as IT, electronics, automation, and renewable energy, where hands-on knowledge and problem-solving abilities are crucial.

The future scope of technical education is strong, with emerging areas like AI, robotics, smart manufacturing, and green technologies creating new career opportunities. By integrating modern tools and industry-based training, technical institutions are preparing students for the evolving demands of the workforce.

*Ms. M. D. Nesarkar*

**Emphasizing  
practical  
knowledge  
enables students  
to turn ideas into  
real solutions  
and become  
skilled  
professionals for  
the  
modern  
workforce**

# GUEST LECTURE

## Guest Lecture on "React Technology"

### Program Details

Date: January 16, 2026

*Speaker: Mr. Amol M.  
Shintre  
Code Expert Pvt. Ltd.*

The aim of this guest lecture is to introduce participants to the basics and importance of React in modern web development. It focuses on helping learners understand component-based architecture, state management, and how to build interactive user interfaces efficiently. The session also aims to provide insight into real-world applications and career opportunities related to React technology.

#### Acknowledgment:

The CSE Department extends sincere appreciation to Amol M. Shintre from Code Expert Pvt. Ltd. for sharing valuable insights on React technology. The session was highly informative and contributed to enhancing students' practical knowledge and understanding of modern web development.

#### Conclusion

A guest lecture was organized at our institute with the objective of enhancing students' knowledge beyond the regular curriculum. The resource person shared valuable insights on the topic, highlighting its practical applications and current industry trends. The session was informative and interactive, with active participation from students. The lecture helped students to gain clarity on the subject and motivated them to explore further learning opportunities. Overall, the guest lecture was successful and beneficial to all participants..

## Guest Lecture on “Java Programming”

Date: February 23, 2026

*Speaker: Mr. Prashant  
Rajaram  
Code Expert Pvt. Ltd.*

The aim of this guest lecture is to provide participants with a foundational understanding of Java and its role in modern software development. The session focuses on key concepts such as object-oriented programming, platform independence, and real-world application development, while also highlighting career opportunities and industry relevance of Java programming.

Acknowledgment:

The CSE Department expresses sincere gratitude to Prashant Rajaram from Code Expert Pvt. Ltd. for delivering an insightful guest lecture. His valuable knowledge and practical insights greatly enhanced students' understanding and learning experience.

Conclusion

A guest lecture was organized at our institute to enhance students' knowledge beyond the regular curriculum. The session, delivered by Prashant Rajaram from Code Expert Pvt. Ltd., provided valuable insights into Java and its practical applications in the industry. The lecture was interactive and engaging, encouraging active student participation. It helped students gain better clarity on the subject and motivated them to explore further learning opportunities. Overall, the session was highly informative and beneficial.

# INDUSTRIAL VISIT

Industrial Visit at “Visit to tCognition, Kolhapur.”

Date: January 19 , 2026

Participants: Third-year students

## Conclusion:

Through real-time demonstrations and expert interactions, students were exposed to industry-standard tools, agile workflows, and the practical challenges involved in building scalable digital solutions.

This engagement not only enhanced the participants’ technical understanding but also emphasized the importance of interdisciplinary skills in today’s rapidly evolving IT ecosystem.

**experience**  
**Glimpses of**  
**Industrial Visit**

**Acknowledgement:**

The department extends sincere gratitude to tCognition, Kolhapur, for facilitating the industrial visit and providing students with an opportunity to gain practical exposure to industry operations. We also thank the team at tCognition for their guidance, support, and valuable insights, which greatly enriched the learning experience of all participants.

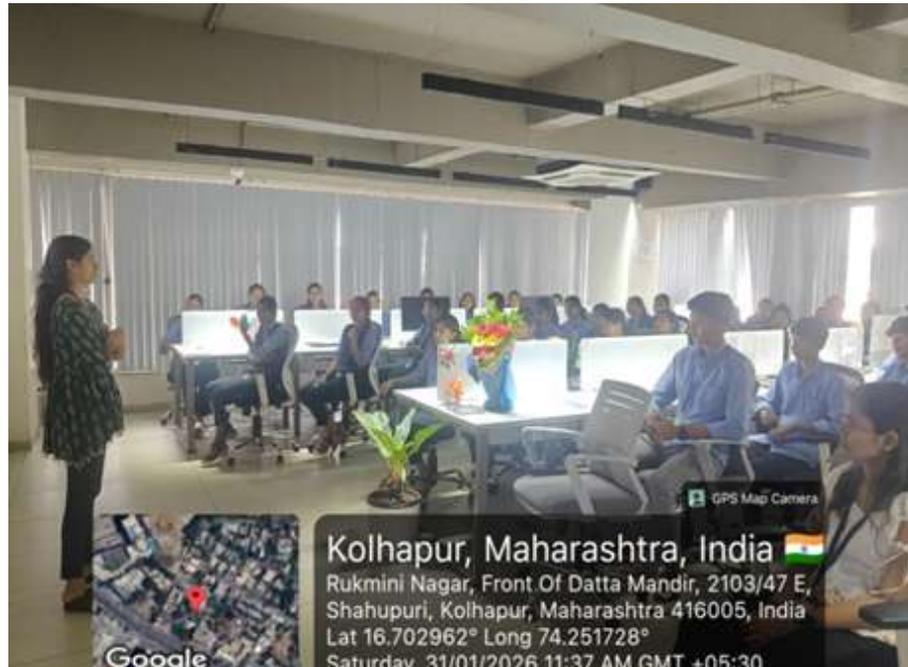

Industrial Visit at “Wallstar Technologies, Kolhapur .”

Date of Event: 31 January 2026

Participants: Second-year students

The hands-on demonstrations and expert interactions helped bridge the gap between theoretical knowledge and industry application, enriching students’ technical understanding and motivating them toward future careers in IT..

**experience**  
**Glimpses of**  
**Industrial Visit**

**Acknowledgement:**

We express our sincere gratitude to Wallstar Technology, Kolhapur for providing an informative and engaging industrial visit. We thank the company's management and technical team for their guidance and demonstrations. We also acknowledge our faculty and organizers for coordinating the visit successfully.

# CERTIFICATE

**rit**  
Kasegoon Education Society's  
**Rajarambapu Institute of Technology**  
Rajaramnagar, Sakharale, Ishwarpur 415414  
• Diploma •  
Five Days An Online Development Program for Student & Faculty On  
*Advanced Professional Communication & Modern Pedagogical Approaches*  
In an Association with **ISTE RIT Chapter (MH 084)**  
**CERTIFICATE FOR PARTICIPATION**  
This is to certify that,  
**Prof./Dr./Mr./Ms./Mrs JAYADEEP SHRIKANT DESAI**  
Successfully attended and actively participated in **Online Development Program On "Advanced Professional Communication & Modern Pedagogical Approaches"**  
Jointly organized by Dept of Science & Humanities, Rajarambapu Institute of Technology, Rajaramnagar, Diploma, and ISTE RIT Chapter, from 10 to 14 November 2025.  
Prof. Radhika. A. Patil (Coordinator), Prof. S. S. Suryawanshi (Coordinator), Prof. S. S. Patil (HOD, Science & Humanities), Prof. V. S. Patil (Chairman, ISTE RIT Chapter), Dr. P. D. Kamthar (I/C Dean Diploma), Dr. P. V. Kable (Director, RIT)  
**EXCELLENT** Grade Awarded by MSBTE, Mumbai | **NBA** Eligible Programs are Accredited by **NBA**

# STUDENTS CORNER

Your thoughts, your Space

## Reality

Money can buy a house, but  
Not a home .Money can buy a  
Bed, but not sleep . Money can  
Buy a clock, but not a time.  
Money  
Can buy a book, but not a  
knowledge .  
Money can buy food , but not an  
Appetite . Money can buy you  
Friends, but not love

- Akanksha Bhopale

## 21st Century Technology

Technology brings  
Changes , exploring  
New possibilities,  
But, what happens  
When our initial  
Ideas become buried?  
When we outrun  
Change, when our  
Weather repeatedly gives  
Clues that great chasms  
Have occurred, when 50%  
Of the public deny the  
Melting of the ice shelf edges  
Time to tow the line  
Relocate our thoughts-  
Set an anchor and  
Rebalance our buoyancy.

- Zara Lamture

मित्रांच्या दुनियादारीत हे कॉलेज आपलंच आसत,  
पोरग लेवचर ला कमी आणि कॅटिंगला जास्त दिसतं,  
भडगावात असे A.D shinde college ची वस्ती,  
कॉलेजची दुनियादारी friendship मुळे वाढली,  
Dr. A D Shinde साहेबांच्या जीवनाची सावली,  
विद्या प्रशासक मंडळ या शिक्षण संस्थेची माऊली,  
विचारंच ओझ घेऊन जगाव की,  
आकाशात पंख पसरून जगाव,  
हे शिकवणारच आपलंच महाविद्यालय म्हणजेच Dr. A D Shinde कॉलेज.

## नातं...

नात्याचा स्वाद अमृता सारखा,  
धेंबभर मिळाला तरी आयुष्यभर पुरतो,  
आपुलकीच नातं दुधात मिसळलेल्या सारखे सारखे  
असते.

कितीही प्रयत्न केले तरी वेगळे होणं शक्य नसते.  
हळवी असतात मनं, जी शब्दांनी मोडली जातात,  
अन शब्दच असतात जादूगार,  
ज्यांनी माणसे जोडली जातात.

— शर्वरी शिवाजी पाटील.

## Digital Era

Time has gone when people had something to say..  
Emoji's express human expression noeadays!!

Socialism and family celebration is an old trend..  
These days everything happen on internet!!

Love has no definition to narrate.  
GIF explains human feelings in details!!

Finger tips have changed their shape..  
Many surgeins have patients waiting at their gate!!!

Technology flourish by leaps and bound..  
It has changed human life,no matter he is young or old!!!!

Gizmos has over taken human life..  
Sometimes I wonder does oxygen still require to survive!!!!

- Purva Sutar

## 7 THINGS TO KEEP IN MIND

- 1.The past can'tbe changed
2. You only fail if you quit
3. Sometimes "no" means "not right now"
4. Their opinions don't define your reality
5. Happiness is found within you
6. Doors close so better ones can open
7. Be proud to be yourself

- Dhanashree Ghodake

## मन...

मन के जिते जीत है , मन के हारे हार  
हार गये जो बिल लडे ऊपर है धिक्कार  
ऊपर है धिक्कार जो देखे ना सपना  
सपनों का अधिकार, असल अधिकार है अपना  
आपनों के खातीर कुछ करना है आज हमें  
अजर अमर कर देना है स्वराज हमें  
तू माटी का लाल है, कोई कांकड़ या धूल नहीं  
तू समय बदल के रख देगा, इतिहास लिखेगा भूल नह  
तू मोर का पहिला तारा है, परिवर्तन का एक नारा है,  
ये अंधकार कुछ पाल का है, फिर सब कुछ तुम्हारा है,  
सेवक का आखिरी मुजरा स्वीकार करो राजे,  
जा रहे है आपके शत्रुओंके चोट पर लगने,  
हमने कहा था हम नमक है महाराज,  
हम नमक नहीं चंदन हो कर्मी,  
तुम तिलक हमारे माथे का  
कविता हि स्वत्म हुई राजे  
अंत में जीत आपकी हुई,  
अंत में जीत आपकी हुई!!!!

— अयोध्या घोळसे
